Talk it Over

- What is the most challenging part about prayer?
- What is significant about Jesus addressing God as Father, and how is that important to us?
- Why do you think it is important to tell God, who is already perfect, that He is holy?
- How have you been tempted to pray “my will” rather than “thy will”? What have been the results? What about when you purposefully pray “thy will” instead?
- Why do you think Jesus emphasizes “daily bread”?
- What is the relationship between forgiveness and prayer, according to Jesus?
- What is powerful about preempting temptation through prayer?
