## **Doing Life Together—Summer Experience**

A few questions to talk over on the way home to make the message more meaningful this week.

- What is one memorable thought that had an impact on you, from what you heard?
- What stood out to you about the Oneness of God? How does that impact belief systems in our current culture?
- How does the Trinity reinforce the fact that 'God is love'?
- How do we reflect the relational nature of God?
- What are other questions you have about the 'Oneness of God'?
